

Lunch Date With Jesus

Getting Personal With Jesus

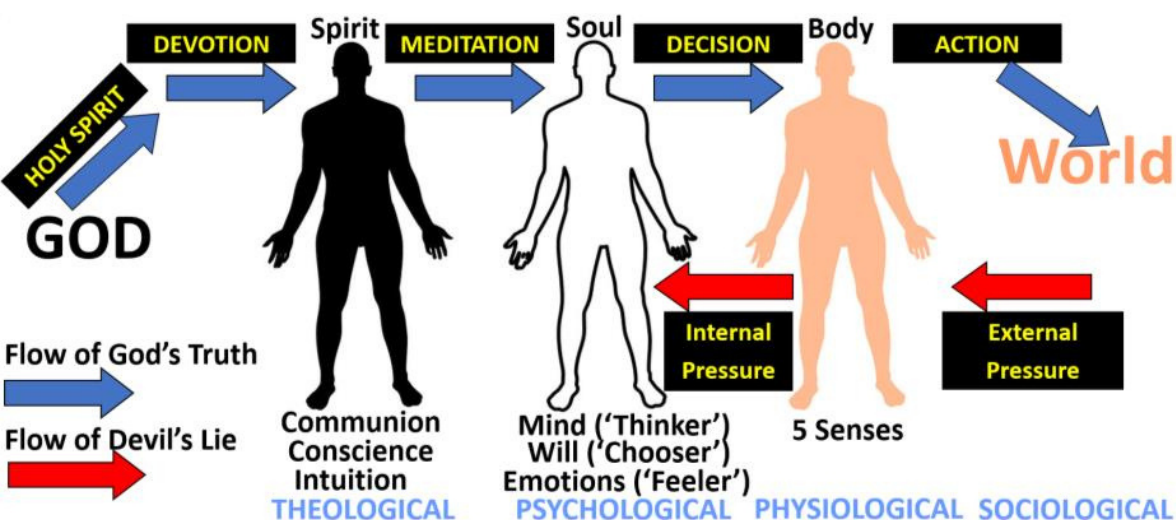

JESSICA MAE OBIOHA

Confession

Confession Based on The 'Flow Of Information' Chart

As seen in the Lunch Date With Jesus book - Chapter 2
The “flow of information” chart below is taken from the
book, 'Diamond Believer' by David Adabale.

From the chart above, you can see that the Holy Spirit communicates God's truth (will of God) to your spirit through **devotion**. Your spirit communicates that will of God to your soul (which is: your mind, will, and emotion), through **meditation**. Your soul then makes a **decision** based on the information you have received from your spirit. That decision becomes the instruction that influences your body toward an **action**.

**Take action today by confessing the word of God., so that you can live
in the reality of the will of God for you.**

Confession

Father, I thank you because I'm not a wandering spirit. I am a child of God created in your image and after your likeness. I am a lover of Christ, my spirit is from you, so my spiritual life is active, vibrant, and yearning towards God in Jesus name.

Father, I thank you because 2 Corinthians 5:21 says that Christ who knew no sin became sin that I might be the righteousness of God in Christ Jesus. I am righteous, I am holy, I am set apart for the use of the father.

I believe in my heart that I am a child of God, heaven is my home, I have authority over the hosts of wickedness because I am seated in Heavenly places with Christ Jesus far above principalities and power according to Ephesians 2:6 . I am protected by the presence of God, I am guided by his wisdom and I'm empowered by his Spirit.

I confess that the spiritual cloud and atmosphere around me and my household is that of the Kingdom of God. I have **communion** with the Holy Spirit and my devotional life is vibrant and dynamic; pulsating the life of God. My **conscience** is clear and sensitive to God. My **intuition** is sharp and accurate in Jesus name. I declare the Kingdom of God upon me and all that is connected to me in Jesus Name.

Confession

Father, I thank you, because It is well with my soul. I am prospering, I am in health because my soul is prospering. My soul is the channel for expressing the Kingdom of God on earth.

Father, I thank you because there is no unbelief, doubt, and offense in my heart. I will not lose my soul in my quest for anything. As the deer pants for the waters so does my soul longs after God.

I believe in my heart that Jesus came for me to have life and have it abundantly, to the full till it overflows. The word of God becomes flesh in my life and around me because my soul incubates the word of God and brings it to manifestation. My soul is a womb that is pregnant with the word of God that brings abundant life to me and everything connected to me in Jesus' name.

I confess life all around me. My **mind** is alert, allowing only the words of God in and filtering out thoughts and suggestions that are not from God. My **will** is submitted to God's Will. Jesus seats on the throne of my will. My **emotions** are in check. I declare that my body is strong, I am disciplined, there is no sickness in my body and in my household in Jesus' name.

I make Godly decisions; the wisdom of God guides me. I have largeness of heart. I am theologically sound, psychologically stable, physiologically healthy, and sociologically effective for the agenda of God. I raise above external pressures of life and keep them out of my soul in Jesus' name.

Confession

Today by God's grace, I live according to what is written in God's book for my life. I pray in the spirit, meditate on the word, **I see in the spirit, I hear God clearly, I perceive spiritual things & I operate in the supernatural** in Jesus' name.

Word of Encouragement

For You

I want to remind you that the first reason why Christ saved you is to have a relationship with you and then empower you through fellowship, partnership, and intimacy to be a blessing to others. (See Mark 3:14).

So, I encourage you to start your new beginning with Christ today for a life of exploits for Him.

Make a date this week and every other week - enjoy your
#LunchDateWithJesus

He's been waiting just for you!

Join
#LunchDateWithJesus
Sisterhood

Sis, would you like for you to be part of the #LunchDateWithJesus sisterhood? A community where we encourage each other in the world of God, testify about our encounters and experiences with God, meet monthly for a time of fellowship, pray together, cry together, and most importantly worship God together.

You can join the sisterhood community via the following:
